

RAISE THE MARKET ROOF

We need a new roof, and we need your help to make it happen.

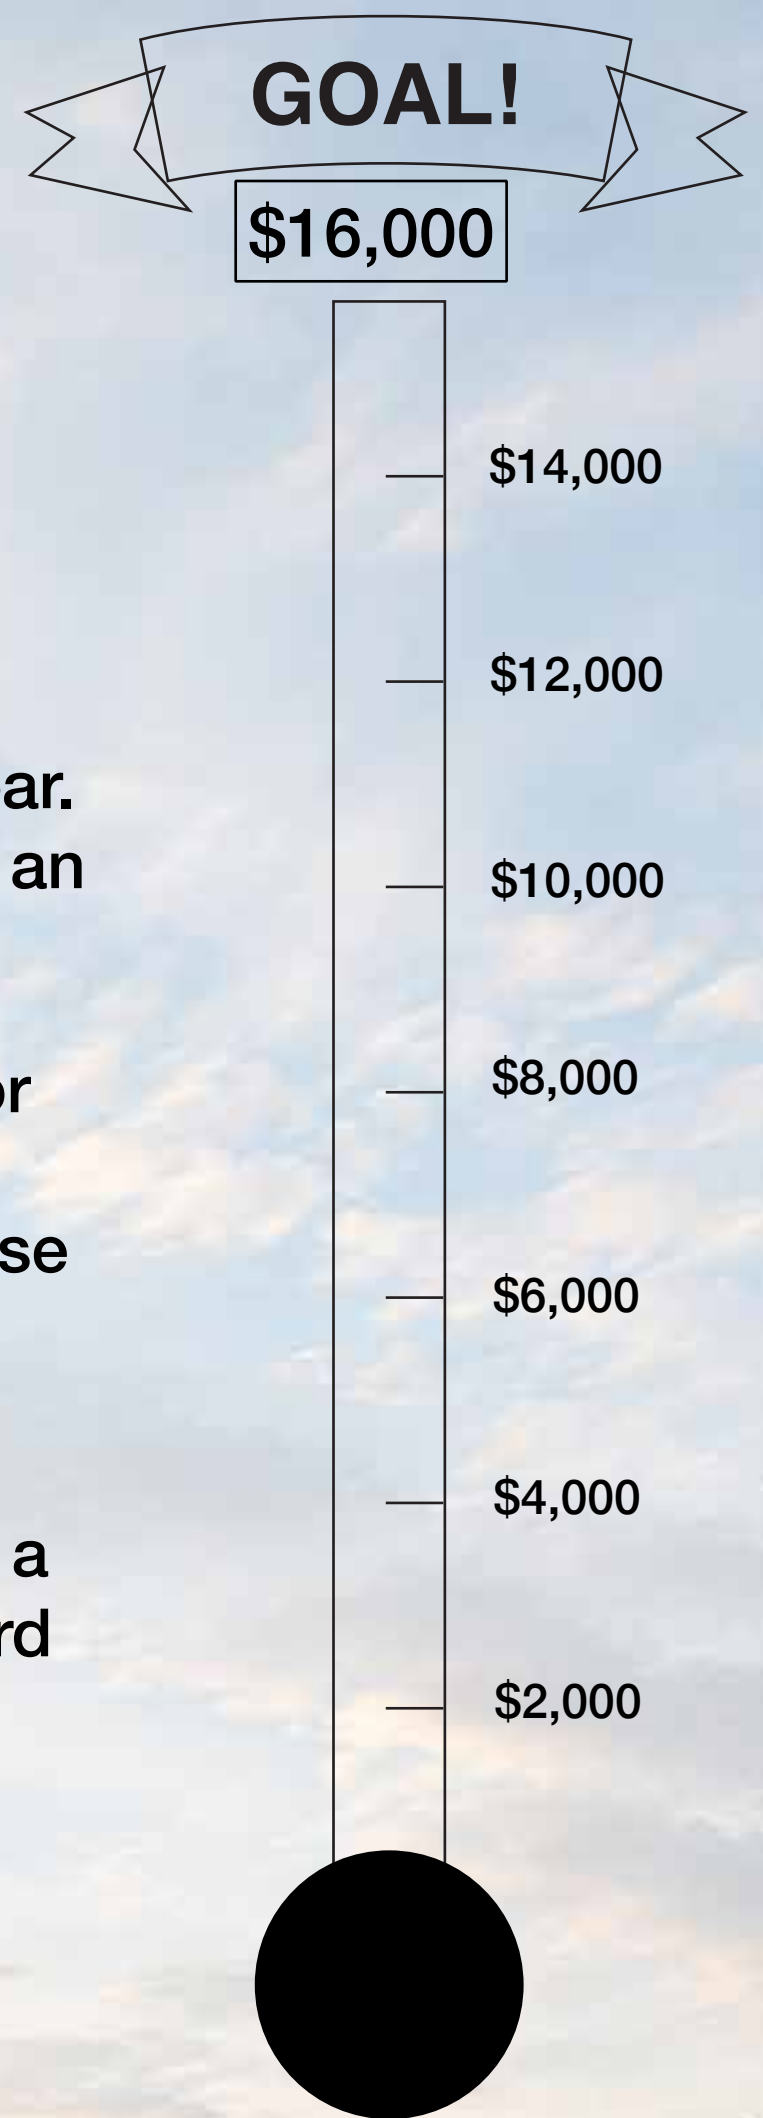

The project was planned for 2028, but our insurance company (surprise!) is requiring the roof be replaced by the end of this year. This unexpected demand and accelerated timeline has created an expense we're not financially prepared to take on.

The Market is more than a business—it's a year-round lifeline for the island. Every gift, large or small, will go directly toward protecting this essential service our neighbors depend on. Please help keep this community landmark safe, dry, insurable, and serving North Haven for many years to come.

Our fundraising goal is \$16,000—the estimated material cost of a new metal roof. Any funds raised beyond that goal will go toward installation labor.

Cash or check gifts may be placed in the jar at the register or mailed to: North Haven Inn & Market PO Box 511 North Haven, ME 04853

Credit card gifts may be made at the register or over the phone by calling 207-867-2233.

THANK YOU FOR YOUR CONTINUED SUPPORT!
